March Stats better late then never

The 2epanzer clan would like to give a warm congratulations to the monthly award winners for their help and bravery on the battlefield. Excellent job and well worth the bloodshed.

This month we have one new member.
{ED}ORB who took the rank of SS-Unterscharführer.
Welcome the the clan and get ready for a battle.

This month I would like to report two rank promotions:
{ED}TIN-Can SS-Oberscharführer RECRUITMENT NCO
{ED}TRICE SS-Hauptscharführer 2ND SQUAD SQUADLEADER
and earning himself the War Merit Cross 2nd class award for all his help in and out of game.

The march stats can be seen at this link --> [March Stats](#)
There has been an overall increase in skill with all players last month.
